

Wedding Guide  
BY BLOSSOM AND BLOOMS FLORAL STUDIO

Thank you for considering me to create your wedding flowers.

Blossom and Blooms specialise in creating bespoke on trend wedding flowers to suit all themes and styles. Whether in fresh, artificial or dried flowers, we design traditional, modern, funky and fabulous to suit all budgets.

At your free consultation we will discuss your ideas for your wedding day. We will look at your colour choices, favourite flower choices and availability, your design ideas and much more ensuring that you are creating your dream wedding. It will usually take a couple of weeks to send your quote after your consultation. If for any reason you are unable to attend a consultation I will be more than happy to discuss all requirements and ideas via email.

If you are happy with your estimate and wish to proceed with your booking, I require a non-refundable deposit of 20%. This will secure your date so that nobody else can book me. We will then have a catch up a couple of months before your big day to ensure all details are still correct.

Prices all depend on several things like the season of flowers, the complexity of the design etc, I appreciate that it would be helpful to know a cost when choosing your florist therefore I have included a price guide in the pack, however this is only a guideline as each bouquet is bespoke. Your personal itemised estimate will confirm prices relating to your bespoke designs.

Prior to your consultation it is always helpful to have some information about your big day so that we can research your possible design ideas. Please fill in the form in this link <https://forms.gle/b6v38riA31gfReU89>

If you have a pinterest board I would also love a browse.  
I look forward to hearing from you, Hannah x
